encourages moms!

What is Mom to Mom?

Based on Titus 2, Mom to Mom challenges moms at all ages and stages to grow deeper as they help their children grow. Mom to Mom is a place where moms can share the joys and frustrations of motherhood while addressing relevant

issues that families face today. Led by experienced "mentor moms," Mom to Mom is a place to interact, connect and find support. Each session is broken up into a gathering social time followed by a video teaching segment and a guided discussion.

Topics for 2011-2012 Include:

- The Perils of Perfectionism: What Voices Shape Us?
- Two Mary's, One Martha, and Me
- When You and He Disagree Modeling and Nurturing a Healthy Marriage
