# Family Friends Food Fellowship Fireworks

The retreat team has arranged for a guest to speak on the topic of **HE KNOWS MY NAME.**

When we were born, our parents chose our name so that we would be known. Although we are born with a name, we are not born knowing who we are – who God made us to be. It is within the family and community that we get the first glimpses of our unique structure, discovering our likes, dislikes, interests and passions. You have a special place in the world God created you to fill in a one-of-a-kind way. The Challenge is to be yourself in a world that is trying to make you like everyone else.
