Sabbaticals for Everyone!

“And on the seventh day God rested from all His work...” – Gen. 2:2

“Bear in mind that the Lord has given you the Sabbath; that is why on the sixth day he gives you bread for two days. Everyone is to stay where they are on the seventh day; no one is to go out.’ So the people rested on the seventh day.” – Ex. 16:29-30

“Remember the Sabbath day by keeping it holy. Six days you shall labor and do all your work, but the seventh day is a sabbath to the Lord your God. On it you shall not do any work...” – Ex. 20:8-10

The most common reflection I've heard when thinking back over the pandemic and looking for a silver lining is some form of, "I found out how nice it was to have time to rest, be with family, and take time for myself." We are a society run ragged. 60 hour work weeks are more the norm than an oddity. Family meals together are a thing of the past, and even sitting down while we eat is uncommon. We double our work as often as possible so we can accomplish more in a day. We scoff at European nations that are calling for shorter work weeks, more vacation time, and more flexible hours. "That's not how you succeed!" we say.

And though our lack of rest breaks one of the 10 Commandments (!), we justify our workaholism with Jesus' words that the sabbath was made for us, not us for the sabbath. We disguise our addiction to busyness as 'supporting my family', or 'what it takes to be successful at work' or 'the cost of a comfortable living'.

There's a reason God established the Sabbath at the end of the week. Biologically, emotionally, spiritually, and personally, we need a regular break in our week, year, and life, not to add more work but to simply rest. And while the 10 Commandments make Sabbath a law, it is at its root a gift. Imagine the Creator and Ruler of the Universe demanding of you... that you take a nap! Play with your kids! Reflect on the week you just experienced and the one to come! Spend some time with Him in prayer!

And while our week needs a Sabbath day ("Shabbat" in Hebrew), so do our lives. The idea of a Sabbatical is that every 7 years you give yourself, your land, your family, and your workers an extended time of rest and reflection. And then every 7 Sabbaticals (or 49 years for we who are math-challenged!) the entire community had a Year of Jubilee, a year when debts were canceled (wouldn't that be amazing!), land and servants were returned to their baseline, and society rebooted and started again.

Maybe we as a nation aren't going to have a Year of Jubilee. Maybe you can't take an extended period of time to get away, reflect, and study God's Word. But you can take a day each week to rest. It doesn't have to be Saturday or Sunday, but those are traditional. How would your life change, for the better and for the worse, if you refused to work your job, work around the house, or take your kids to practices and games, and just rested for a day. Play a board game. Ask a deep question and have the whole house answer. Enjoy a meal together without interruption. I guarantee you'd be healthier, less stressed, and stand out from those around you, which would be an amazing chance to share about Jesus.

And if "Sabbath" is too churchy a word, or has too much baggage with it, just tell people you're taking a one-day sabbatical. You'll be glad you did!

WORSHIP in May. . .

This month we wrap up our Immerse study for 2022 and our year of programming. We continue to look at what the New Testament has to teach us about ministry outside the walls of our church, and even have a special Memorial Day Sunday on the theme! Join us for worship every Sunday at 10:30am in the sanctuary or on our [YouTube channel](#). Note: on Memorial Day weekend, May 29, we move to our 9:30am worship time for the summer!

Graduation Sunday, June 5th Congratulations to our upcoming graduates!! It is an exciting time whether you're graduating from high school or college. Over the next several weeks, if you have family graduating, we would like to include them in the Graduation Sunday Bulletin. Please send the following information to the office at office@libcov.org NAME, GRADUATING FROM, and WHAT'S NEXT.

COLUMBARIUM MINISTRY

The establishment of this ministry is to offer a service to our worship community that is theologically sound, compassionate and a very affordable way to provide either the burial of a loved one, or to memorialize past members who are buried elsewhere. As we recognize the high cost of conventional funeral and burial costs, the columbarium committee is committed to offering a niche or memorial plaque at an affordable price. Additionally, you might consider purchasing a bench or trellis for this space. A recognition plaque displaying your name, or that of a loved one would be affixed to your gift.

The Columbarium Committee has been working with the architect to update plans for this beautiful memorial patio area between the Church building and the garden. The architectural renderings below show the sacred and welcoming space that will be provided for worship and remembrance.

The next steps for this project are as follows:

- Breaking ground in the summer of this year (2022)
- Reserving niche or memorial plaque locations for those interested
- Accepting donations towards the construction of the space

If you have any questions or are interested in finding out more information, please contact Vern Johnson, vern.johnson60@gmail.com, 847-343-8588

Jill's House is a Christian not-for-profit organization that serves families who have children with intellectual disabilities. Their main facility is a 42,000+ square foot complex in Vienna, VA, where they provide daytime and overnight care services, but they also have weekend overnight camps that serve families in Chicago, Nashville, Seattle and New Jersey.

The primary purpose of Jill's House is to provide overnight respite for the parents and families of these special kids. In addition to the day to day struggles that we all face, they have the added concern, stress and exhaustion that comes with raising a child with special needs. Studies have shown that these pressures lead to 150%+ higher rates of depression and 80%+ higher rates of divorce – it is a lot for anyone to handle, especially 24/7, 365 days a year.

Providing a safe and secure environment for their child gives these families a little time away to focus on themselves and their marriage, devote more time to their other children, or just be stress free for a little while. To recharge and renew themselves. And it also gives the child a special weekend away, where they can interact with other kids and experience new and fun activities.

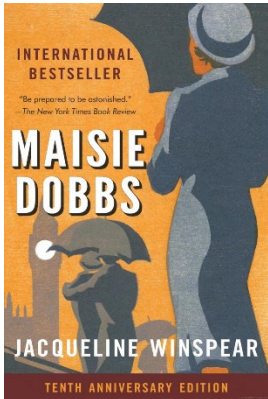

Joel and Hannah Dillon attended LCC and were actively involved here when Joel was tapped to be President and CEO of Jill's House in 2015 and they moved to northern Virginia. A few years later, as Jill's House dreamed of a Chicagoland Weekend Adventures program, Joel reached out to LCC to gauge our interest (an enthusiastic yes!) and by June of 2018 Jill's House Windy City was up and running in partnership with LCC and Covenant Harbor.

At the outset, LCC was the drop-off and pick-up point for camp – our volunteers spent time with the kids while the parents were registering, helped tag and transfer luggage between the cars and our van, and got to know the families a bit while waiting for the entourage to leave for Covenant Harbor. However, due to COVID we no longer provide transport to camp and families now bring their child directly to Covenant Harbor.

So our primary role now is providing volunteers to be "Buddies" for the overnight camp weekends. Buddies arrive at Covenant Harbor at 5:30p on Friday night and are there through lunch on Sunday. Each Buddy is assigned one camper and will help make sure they stay safe and have a fun filled weekend. The Jill's House staff takes care of all medical and personal hygiene needs of the campers (bathroom breaks, showering, brushing teeth, etc.) as well as putting them to bed and getting them up and ready in the mornings.

Jill's House Windy City is growing – they are now up to 6 campouts per year and can accommodate up to 10 campers per weekend. Their biggest constraint is having enough Buddies – if there are not enough volunteers, some campers will have to be turned away. Being a Buddy is fun AND rewarding! It is something you can do alone, or with a friend, a neighbor, a co-worker, a spouse, one of your children (just need to be 16 or older) – anyone you always wanted to spend some quality time with! Please consider the possibilities and these upcoming Jill's House dates:

Our next book selection is Maisie Dobbs by Jacqueline Winspear

We'll be meeting on **Friday, May 6, 2022**. Questions? Call Caren Vollrath 224-637-4422

The book that introduced the world to the intuitive, intelligent, and resourceful heroine Maisie Dobbs—one of literature's favorite sleuths! Maisie Dobbs entered domestic service in 1910 at thirteen, working for Lady Rowan Compton. When her remarkable intelligence is discovered by her employer, Maisie becomes the pupil of Maurice Blanche, a learned friend of the Comptons. In 1929, following an apprenticeship with Blanche, Maisie hangs out her shingle: M. Dobbs, Trade and Personal Investigations. She soon becomes enmeshed in a mystery surrounding The Retreat, a reclusive community of wounded World War I veterans. At first, Maisie only suspects foul play, but she must act quickly when Lady Rowan's son decides to sign away his fortune and take refuge there. Maisie hurriedly investigates, uncovering a disturbing mystery, which, in an astonishing denouement, gives Maisie the courage to confront a ghost that has haunted her for years.

Our Immerse Program is underway. If you have just joined us we are on week 13. During this time, we will commit to reading the entire New Testament – Matthew through Revelation – together using the “Immerse: Messiah” books. Each week, there are 5 days (Monday-Friday) of readings (about 4 pages or 10-15 minutes a day) to be completed at your own pace.

Junior High and Senior High Final Series from the Book of Acts

SERIES OVERVIEW:

We will finish out our year together with one last engaging series entitled "Pass It On". With social media, just about anyone can be an "influencer" with the right content, good timing, and a little bit of luck. Invent a new dance, share a funny take, catch the right moment on camera, and you could get millions of views. Some "influencers" mostly just use their platforms to get free stuff, but once in a while, you find someone who uses their platform to talk about things that actually matter.

Obviously they didn't have social media back in Jesus' day, but in the Bible, the book of Acts is filled with stories about "influencers" who had important things to say. In this 4-week series, we'll hear their stories, discover that **our lives can pass on the good news**, and learn how to pass on the good news to **unexpected people**, to **our families**, and **with humility**.

Thank you to the senior high students for setting up the Easter Egg Hunt and the Photosetting for Easter Sunday.

LAST CALL

Summer Unite Conference: July 14-17, 2022 Bethel University, Arden Hills, MN

THERE IS STILL TIME TO SIGN-UP!!

A Covenant High School event gathering groups from across the Northern US and Canada for Worship, Connection and Fun. Even though students have missed the Early Bird Rate, there is still time to sign up for the Unite North Conference. Please email the office at office@libcov.org and Debbie will send the paperwork to you to complete. The total cost for the conference, excursion and transportation is \$375. Scholarships or a \$50 rebate are available. Contact Pastor Paul.

If your summer is very busy and a four-day conference doesn’t fit into your schedule, consider, “**Gathering Together**” will be held at North Park University as a one-day event on July 9th. This event is organized by the Central Conference of the Evangelical Covenant Church. It will include two large worship gatherings, two service projects and a full day of fun, fellowship and food. The intention is for the central conference youth to gather together and discover what God is already doing in many ways, shapes and forms. All high school students are welcome to join us (entering 9th graders through graduating 12th graders). Cost is \$35 per person.

LAST PADS DINNER & LUNCH FOR THE SEASON!!

On Wednesday, April 27th, we will once again be serving dinner (and providing lunches for the following day) to PADS guests at First Presbyterian Church in Libertyville. A Google Doc went out this past Tuesday, April 19th asking for people to provide food items needed. INCREDIBLY....the Google Doc was completely filled out by the next day!!! I guess it shouldn’t be a surprise since our church family has always risen to fill the need – for the many Outreach programs we support.

Those preparing hot foods are asked to bring them to 1st Presbyterian at 5:00-5:15 on the 27th. Food items needed for lunches can be brought to LCC by Sunday, April 24th. If this is a problem for anyone, please contact Maggie Johnson 847 772-8564 so other arrangements can be made.

Our highly capable High School Youth Group will be setting up beds, serving dinners and making sandwiches for the lunches. The last time we served dinner there, I had the privilege of staying late which gave me a chance to talk with several of the guests. It’s always interesting to hear their stories and a good reminder of the many blessings we often take for granted.

SENIOR HIGH STUDENTS

Have you signed up?? The address and place is First Presbyterian Church of Libertyville (219 W. Maple Ave.) We will meet downstairs at 5:00 p.m. and work until 7:30 p.m. Following our time of serving together folks are welcome to enjoy a meal together at Culvers right up the street. If you have any questions please connect with Pastor Paul at paul@libcov.org. Click [HERE](#) to register.

There was a great group of volunteers (many youth) who worked hard and never complained at our PADS outing in March! Many mingled with our guests, some finding out their "story." It is SO encouraging to see so many of our Libertyville Church families involved.... Some who took time to donate and prepare foods and others who took time to serve the homeless.
