Sabbatical 2022 is Here!!

Greetings to the LCC family from the Sabbatical Team. After much planning and prayer, the time has come for Pastor Steve to embark on his sabbatical. We are confident that God will use the time away to bring growth, insight, rest and refreshment to Pastor Steve. We also know that God will use this time to deepen the faith and commitment of each of us at LCC. When we are brought together again, we pray that we will move forward even stronger in serving the Lord together in the ministry of the Church.

We thought you would enjoy seeing a sampling of the plans Pastor Steve has for his sabbatical.

- The sabbatical will begin with a pilgrimage to Iona, Scotland and Lindisfarne, England with a group from North Park Seminary.

- When he returns from overseas he will take some time to rest, recuperate and prepare for the other portions of the sabbatical.

- Pastor Steve will be spending time in personal study and in reading and writing on Ecclesiology, with a particular focus on how Covid has affected the church.

- In the middle of June, Pastor Steve and Heather will both be attending the Annual Meeting in Kansas City.

- Steve will be attending a Directed Retreat at the Jesuit Retreat House in Oshkosh, WI in July, where he'll have time for prayer and reflection.

- During his time away he will be planning for the future of LCC and as the sabbatical comes to an end he will be preparing for his return to LCC, which will be at the family retreat on August 19.

This is a special and sacred time, and for the duration of his time away we ask that you lift up Steve, Heather, Josh, Rachel, Sarah and Isaac in your prayers. They will

have a few weeks of vacation together this summer, and our hope is that they will have a wonderful time reconnecting after being apart for the school year. The Staff, along with the Sabbatical Team, Leadership Team and the Council, will continue to minister to the congregation while Steve is away. Please be looking for ways to help support the church's ministries in the upcoming months. Also, please pray for Pastor Paul in his expanded role this summer. We look forward to his preaching and teaching, along with the guest speakers that will be bringing God's Word to us while Steve is away. If you have any questions about the summer, feel free to reach out to Pastor Paul, Paul Lundstedt or any member of the staff.

GREETERS

"Good Morning!" "Welcome to Libertyville Covenant Church" "Hello, it is so nice to have you with us today!"

These and many other greetings are extended every Sunday morning by all of us at LCC. This is one of the

many ministries in which we have the privilege of sharing. Traditionally we extend this opportunity to all of our church family. In this way, we participate in church life and also have the fortune to speak with people who otherwise do not pass our way. The rules are simple. Be at the front doors by 10:15 a.m. Wear your name tag, answer questions and show the way to the many Sunday morning activities. On behalf of the Deacons I express thanks for your willing and faithful participation. Janis Carlson.

WELCOME JEANETTE MOTTL

After years of searching, the Lord has brought us a new Praise Team Leader! Jeanette Mottl will be joining us this June and will lead our praise teams for the foreseeable future. Below is a brief bio from Jeanette. Please be sure to offer her a warm LCC welcome on June 5 as she joins our staff and family.

a Covenant church and attended the Solid Rock School of Discipleship after I graduated high school. I also just graduated from North Park University in May with a degree in Biblical & Theological Studies and Psychology. All throughout high school and college, I worked at various churches helping to lead worship; this past year I was the interim director of high school ministry at North Park Covenant Church and am continuing there this year as their interim director of youth ministry! I am so excited to be starting this new chapter of my life and can't wait to get to know all of you during my time at Libertyville Covenant.

Retreat Time, Coming Soon! August 19-21, 2022

The All Church Retreat Planning Team is working on this year's retreat weekend. This will be the 2nd year that we will be retreating with New Abbey Church. We had such a great time together last year and are looking forward to being together again this year.

We are excited that our speaker will be Rev. Nicole McClurg from West Lafayette, IN. She is a pastor, spiritual director and retreat leader. She loves creating space for disciples of Jesus to take the next step toward living a whole-hearted life with God and others. She will be leading us in finding ways for "Rest & Restoration".

This year's All Church Retreat will be the weekend of August 19-21 (Friday night to Sunday lunch) at Covenant Harbor Bible Camp in Lake Geneva, WI. We will be staying in the Geneva Bay Center where we will have hotel room like accommodations with private bathrooms in each room and bedding provided. We will eat in the dining room, have our worship services and be able to hang out together at Geneva Bay. We will have a campfire, have use of the waterfront and golf cart transportation will be provided. There is a nice walking path along the lake from Covenant Harbor into the town of Lake Geneva. Having the retreat at Covenant Harbor also gives us the opportunity to support "OUR" camp which is owned and operated by the Central Conference of the Evangelical Covenant Church.

We have set a Hard Deadline Date for registering for the retreat. The Harbor has a required date for us to give them a final headcount so they can prepare for our weekend. **The Hard Deadline Date to register for the retreat will be July 31st (Sun.)** Our apologies, we will not be able to accept any late registrations after that date. So, please put the date on your calendar now and make sure to register earlier than later. Rooms at Geneva Bay are on a first-come-first-serve basis. Other accommodations will be made if we run out of rooms at Geneva Bay, which we hope happens.

A big thank you to our planning team! From New Abbey: Pastor EJ Ravago, Maureen Reyes, Robelle Franklin, Arvie Ravago, Christie Dean and from LCC: Caren Vollrath, Angela Kocinski, Jim Gillette and Jill Heath. Please pray for this team as they discuss and plan for a wonderful weekend of fellowship and hearing what God has to say to us through our speaker.

More details on registering and retreat prices will be coming.....

If you have any questions or you are willing to help with the retreat, please contact Jill Heath at 847-989-7089 or wick423@comcast.net.

Thank you for everyone who attended our Spring Work Day. Over 20 folks came to clean, polish, rearrange, and declutter. Some activities were very visible, such as dusting/polishing the pews, cleaning the windows, and setting up / cleaning the picnic tables. Other activities were generally unseen, but still important such as cleaning out the closets and the shed. We filled the trash dumpster, the recycling dumpster, and part of the trailer. For those who could not attend, the Fall Work Day is just 6 months away. *Kerry Monson*

We have recently been learning much more about our great neighbors in North Chicago through the housing work of ReNew Communities (www.renewcommunities.org) and through its partnership with Transform Capital (www.tccommunity.org), a nonprofit started by our very own Paul Hawkinson.

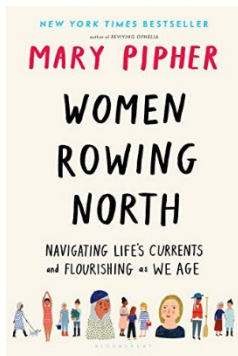

Many of us have experienced the generational benefits offered by home and/or business ownership. We have also been fortunate to have access to market-rate loans that make these purchases not only possible, but attractive. And yet, so many deserving neighbors in disinvested local communities have long been caught between historic discrimination of large financial institutions and the ravages of payday lending. Transform Capital (“TC”) was founded in 2020 to address this gap – igniting the generational potential of asset ownership by providing ***Capital and Catalyst to Lift up (and learn from) our Neighbors.***

Co-Founders Paul Hawkinson, Frederick Tolbert, Mark Chassman, and Stephen Kawasaki came together in 2020, pairing decades of professional experience in banking, investment management, real estate, and media with a shared heart for ***Investing in Human Flourishing.*** While “Flourishing” is far more than economics, still economics matter. Consider that a ~7% return over 50 years is a 30x return on investment—returns that fund life experience, education, healthcare, and even a new cycle of generosity.

As a nonprofit ***Lending Movement That Makes No Cents***, TC’s funding base is 100% comprised of donated capital which is then deployed into market-rate home mortgage and business loans. Loan payments then “pay-it-forward”, making ownership possible for another neighbor, and creating fully recyclable capital where clients become an integral part of serving their own neighbors.

And well beyond the loan transaction, TC then activates the full power of its growing movement to walk alongside neighbors over the long journey of ownership, providing support, coaching and encouragement. Being in relationship and proximity leads to transformation for all of us as we learn through the lens of our neighbors. Through innovation, and alongside the deep volunteer talents of a growing movement, TC operates with almost no operating cost—ensuring that all benefits fully inure to the community. In its first year of mission, TC funded over \$630,000 in loans in the amazing community of North Chicago, IL, with recurring income already covering 100% of operating costs. Many LCC members and friends have been engaging with ReNew and with TC. Reach out to Paul or Dan Frost to learn more, or to find out how you can engage!

Our next meeting will be Friday, August 5, 2022, 7pm at church. Questions? Contact Caren Vollrath 224-637-4422 carenvollrath@gmail.com

A guide to wisdom, authenticity, and bliss for women as they age by the author of *Reviving Ophelia*.

Women growing older contend with ageism, misogyny, and loss. Yet as Mary Pipher shows, most older women are deeply happy and filled with gratitude for the gifts of life. Their struggles help them grow into the authentic, empathetic, and wise people they have always wanted to be.

In *Women Rowing North*, Pipher offers a timely examination of the cultural and developmental issues women face as they age. Drawing on her own experience as daughter, sister, mother, grandmother, caregiver, clinical psychologist, and cultural anthropologist, she explores ways women can cultivate resilient responses to the challenges they face. “If we can keep our wits about us, think clearly, and manage our emotions skillfully,” Pipher writes, “we will experience a joyous time of our lives. If we have planned carefully and packed properly, if we have good maps and guides, the journey can be transcendent.”

Church Membership

Church Membership Class – October 16th After Church

If you're interested in exploring Church membership at Libertyville Covenant Church, please save the date for our afternoon information session. Lunch will be served. Following the class the Deacons will make arrangements to follow up with materials and review the process for joining our congregation.

In the meantime, if you have questions, contact Wes Lindahl, Deacon Chair, at wlindahl@northpark.edu or 847-680-1018.

COLUMBARIUM MINISTRY

The establishment of this ministry is to offer a service to our worship community that is theologically sound, compassionate and a very affordable way to provide either the burial of a loved one, or to memorialize past members who are buried elsewhere. As we recognize the high cost of conventional funeral and burial costs, the columbarium committee is committed to offering a niche or memorial plaque at an affordable price. Additionally, you might consider purchasing a bench or trellis for this space. A recognition plaque displaying your name would be affixed to your gift.

The Columbarium Committee has been working with the architect to update plans for this beautiful memorial patio area between the Church building and the garden. The architectural renderings below show the sacred and welcoming space that will be provided for worship and remembrance.

There has been great interest in this project so far and we're moving forward. If you would like to reserve a niche or memorial plaque, now is the time. If you have any questions or are interested in finding out more information, please contact Vern Johnson, vern.johnson60@gmail.com, 847-343-8588

VAN KEY Ministry:

After months of researching, we cannot replace the van keys for \$89/each. Because they are laser cut keys, replacement of just 2 van keys is more like \$250/each. The keys require lots of paperwork by Ford and are only reproduced by Ford. So please take a moment and check your pockets, purses, drawers, etc. The office is offering a reward for any found van key!! There are 4 out there floating around.

How does water connect with God?

Join us Wednesday July 27th as we experience God through Water. How does water help us experience the Goodness of God and the Love of Christ? Come for a tasty meal and lifegiving engagement that helps answer this question. Our meal begins at 5:30p.m. and will conclude at 6:15p.m. as we transition to our time of engagement with this question. This offering is intended for everyone at

our church to enjoy and will provide all sorts of engagement in fun and lifegiving ways. **An RSVP is needed so that we can plan for food accordingly.**

Come!!! We are looking forward to remaining connected together over the summer and this can be one of those ways of doing so. Hope to see you there. Grace and Peace, Paul

We want to recognize Ann frost in who stepped in to help organize the nursery volunteers and make sure our little ones are taken care of. We appreciate all of your help and extra time.

We also want to take the time to thank Jim Gillette for all of his time and service into youth ministry this year, particularly children's ministry. Jim has given his time and his talents to ensure that the youth of this congregation have a space to share their own gifts, an opportunity to grow their relationship with God, and fed with a lot of Dunkin' Donuts. We are very thankful for everything he has done.

Our Mission is...

to grow disciples, grow the church, and grow the Kingdom of God

Our Vision is...

We grow disciples as we praise and learn together

We grow the church as we love and give together

We grow the Kingdom of God as we serve and share together

Our Core Values are...

Community: everyone is welcome to join us on the journey

Authenticity: being real people with real issues before our real God

Relationships: with God, each other, and the world around us
